PRESS RELEASE

Execulink Telecom to Provide More Communities with Link TV

Woodstock, ON – September 12, 2017 – Execulink Telecom is proud to announce that Link TV is now available to a wider customer base as of August 29th, 2017. Execulink has had TV since 1998, and throughout the years they have been able to extend their sales area of the service to more and more communities. Link TV is a service that will allow customers to have an affordable, flexible, and personalized TV experience.

With this launch, Link TV will be available to Execulink Internet customers in 10 cities and the surrounding areas. These areas include: Brantford, Cambridge, Guelph, Hamilton, Kitchener, London, Mississauga, Toronto, Waterloo, and Woodstock.

“Our goal was to enhance your watching experience and ensure that Link TV was unlike any other TV service” said Ian Stevens, President and CEO of Execulink Telecom. “The flexibility to watch live TV on your TV, Tablet and Smartphone, as well as the convenience of managing your channels and packages yourself through an online portal, ensures that you will have an all-around awesome experience.”

What makes Link TV unique is its total flexibility and personalization. With a variety of channel options including Single Picks, Theme Packs, build your own Pick Packs, and more, customers now have the freedom to personally create a TV lineup that suits the needs of their family at an affordable price. Link TV also allows flexibility in *how* you watch your TV. By downloading a virtual set-top box on a smart phone or tablet, you are able to take your TV with you anywhere in your home. Link TV has added benefits including Cloud DVR, which lets you record, pause, rewind and fast forward your programming. You are able to use Restart TV to restart a show with the click of a button and Catch-Up TV allows you to watch a live TV show or event up to 24 hours after it originally aired, so you never will miss your favourite shows again.

Execulink Telecom is excited to offer this service and is confident that it will give many customers the television experience they want and deserve. For more information on the services, please call 1-866-706-1994 or visit <http://www.execulink.ca/residential/tv/>.

About Execulink Telecom

In operation since 1904, Execulink Telecom has evolved from a small independent local telephone company into one of the leading telecommunications providers in Ontario. Through

innovation and forward-thinking, we cultivated our local telephony offerings to provide a full-scale suite of telecommunications services including data, internet, television, mobility and advanced voice features. These services are now available to all levels of industry, encompassing 50,000 business, enterprise, government, and residential customers.
