PRESS RELEASE

Execulink Celebrates 5 Years of Fibre in Delhi

Woodstock, ON – August 13, 2019 – Execulink Telecom, has reached an exciting milestone as the company celebrates 5 years of delivering their high-speed Fibre Internet services to the town of Delhi, Ontario. Execulink has been making roots in the Delhi community since 2014. Today, the company is proud to be the local choice for Internet, TV and Phone services, with 8 out of 10 homes experiencing the incredible speed and reliability of Fibre.

“In the beginning, we recognized the town’s need for a fast, affordable and reliable Internet solution. We came to Delhi hoping to make a difference,” said Ian Stevens, President and CEO of Execulink Telecom, “Today, we are pleased to say that the majority of Delhi is experiencing Fibre and we have expanded our services to new areas in the town that we were not able to service before.”

Execulink’s Delhi store at 553 James Street.

Over the past 5 years, the company has played an active role in the community and established partnerships with local organizations and activities through sponsorships, donations and event participation.

“Execulink is proud to invest in and support the neighbourhoods we live in,” says Stevens, “Our mission since day one is to provide our customers with the awesome experience they deserve; we are committed to keeping that promise as the company continues to grow and our Fibre footprint expands throughout Norfolk County and surrounding areas.”

An anniversary celebration at Execulink’s Delhi office will take place on August 14th from 3pm to 8pm, and will feature refreshments, giveaways and ice cream served from 6pm to 8pm. Delhi and surrounding areas are invited to join the celebration and learn more about the Execulink services available to them.

Fibre is the delivery of a communications signal over optical fibre. In comparison with other methods of delivery, Fibre’s underground infrastructure is unaffected by weather and allows for reliable TV and Phone services, with the fastest Internet speeds in Ontario. With Fibre technology, homes and businesses have access to lightning-fast Internet, crystal-clear TV and reliable Home Phone solutions.

Residents are encouraged to call 1-866-765-2282 or drop by the Delhi store at 553 James Street, Monday to Friday from 8:30am - 5pm.
