PRESS RELEASE

Execulink Telecom Celebrates its One-Year Anniversary in Port Dover

Woodstock, ON – August 19, 2019 – Execulink Telecom, first made roots in the Port Dover community one year ago. Today, the company operates out of their store at 697 Highway 6 and is proud to be the local choice for Fibre Internet, TV and Phone services for residential and business customers.

“Our mission since day one is to deliver the awesome telecom experience our customers deserve; and that awesome experience starts with us being locally available,” said Ian Stevens, President and CEO of Execulink Telecom, “We’ve come a long way from our makeshift storefront on Main Street to our new and improved location on Highway 6.”

Michelle Parker, the company's Community Representative talks to the benefits of having a local store, “Being part of the Port Dover community offers a convenient way to provide customer support. We also have the ability to build awareness for current events and keep abreast of the technological trends and needs in the community.”

“Being active and investing in our local communities is the benchmark of who we are as a company,” says Stevens, “That's why, over the past year, we have established partnerships with the Norfolk County Public Library, the Lighthouse Festival Theatre and numerous other local organizations.”

An anniversary celebration at Execulink's Port Dover store will take place on Thursday, August 22nd from 3pm to 8pm, and will feature refreshments, giveaways and popsicles served from 6pm to 8pm. Residents from Port Dover and surrounding areas are invited to join the celebration and learn more about the Execulink services available to them.

Execulink invites you to drop by the Port Dover store at 697 Highway 6, Monday to Wednesday and Friday from 8:30am - 5pm, Thursday from 8:30am – 8pm, and Saturday from 9am – 4pm or call 1-866-765-2282. For more information, please visit fibre.execulink.ca.

About Execulink Telecom

In operation since 1904, Execulink Telecom has evolved from a small independent local telephone company into one of the leading telecommunications providers in Ontario. Through innovation and forward-thinking, we cultivated our local telephony offerings to provide a full-scale suite of telecommunications services including data, internet, television, mobility and advanced voice features. These services are now available to all levels of industry, encompassing 50,000 business, enterprise, government, and residential customers.
