

## Watford Scouts Receive Donation for Execulink's 11<sup>th</sup> Day of Gifts of Christmas

**(Woodstock, ON) December 22, 2024** – Execulink Telecom is excited to announce the eleventh recipient of a \$500 donation: the Watford Scouts. This initiative celebrates organizations making a meaningful impact in their communities by donating \$500 each day for 12 days.

The Watford Scouts, comprised of youth aged 11-14, are building leadership skills while giving back to their community through impactful projects. Whether cleaning up local spaces or brainstorming creative ways to support the local food bank—such as hosting a community movie night—the Scouts are actively making a difference.

Beyond their service projects, the Watford Scouts embrace adventure through activities like camping, climbing, and canoeing, fostering confidence, resilience, and teamwork. The program empowers youth to explore their potential, grow as individuals, and contribute to their community.

“The Watford Scouts exemplify the values of leadership, service, and personal growth,” says Ian Stevens, CEO of Execulink Telecom. “We are proud to support their efforts and see the positive impact they make, not only in their own lives but in the community around them.”
