

## Execulink's Gifts of Christmas Program Continues with Support for Big Brothers Big Sisters of Oxford County

**(Woodstock, ON) December 10, 2024** – Execulink Telecom is excited to announce the second day of its 7th annual Gifts of Christmas program. Each year, Execulink donates \$500 to 12 organizations over 12 days, bringing holiday cheer and support to communities across its service area.

On this second day of giving, Execulink is proud to support Big Brothers Big Sisters of Oxford County, an organization that fosters life-changing mentoring relationships. By connecting youth facing adversity with mentors, Big Brothers Big Sisters empowers them to unlock their potential and build brighter futures.

“We’re delighted to recognize Big Brothers Big Sisters of Oxford County for their dedication to supporting young people in our community,” says Ian Stevens, CEO of Execulink Telecom. “Their programs create positive ripple effects for generations, and we are proud to contribute to their important work.”

Execulink encourages others to learn more about Big Brothers Big Sisters of Oxford County and how to support their mission by visiting their website: <https://oxford.bigbrothersbigsisters.ca/>.

Execulink's Gifts of Christmas program reflects the company's commitment to spreading joy and making meaningful contributions during the holiday season. Stay tuned on Execulink's social media channels as more inspiring organizations are featured in the coming days.

### **About Execulink Telecom**

In operation since 1904, Execulink Telecom has evolved from a small independent local telephone company into one of the leading telecommunications providers in Ontario. Through innovation and forward-thinking, the telecom provider has cultivated what began as local telephony offerings to provide a full-scale suite of telecommunications services including data, internet, television, mobility, and advanced voice features. These services are now available to all levels of industry, encompassing 50,000 business, enterprise, government, and residential customers.
