

Execulink Telecom Unveils New Website

(Woodstock, ON) October 27, 2023 – Execulink Telecom recently unveiled a facelift for their website at www.execulink.ca to greatly improve the customer experience. More user friendly than ever, with a sleek, modern design, enhanced navigation, and improved shopping cart functionality. Now it's easier than ever for customers to shop online, review available services, add a bundle with a single click and or upgrade their existing services.

Ian Stevens, President and CEO of Execulink Telecom says, “We are pleased with a new updated website that better reflects our mission of bringing technological advancement to the communities we serve,” said Stevens. “Our goal is to be a customer-centric company and our website plays a key role in connecting customers with our dedicated employees.”

About Execulink Telecom In operation since 1904, Execulink Telecom has evolved from a small independent local telephone company into one of the leading telecommunications providers in Ontario. Through innovation and forward-thinking, we cultivated our local telephony offerings to provide a fullscale suite of telecommunications services including data, internet, television, mobility and advanced voice features. These services are now available to all levels of industry, encompassing 50,000 business, enterprise, government, and residential customers.
